**Flood Park**

A San Mateo County Park

**Natural features**

Flood Park is dominated by a number of stunning heritage oaks and California laurels. The Park is quite flat, with large areas of lawn.

Squirrels are common. Commonly seen birds include mockingbirds, woodpeckers, scrub jays, red-tailed hawks, and other raptors.

**Activities and facilities**

Flood Park has a number of sports and game fields. A softball field, tennis courts, horseshoe pits, several volleyball courts, and a petanque court are all available for drop-in use. Youth and adult teams may reserve the Park’s full-sized baseball diamond.

The Park includes a large play structure, and its lawn areas are perfect for games.

Accessible facilities and play areas at Flood were designed to accommodate wheelchairs, which can easily reach benches, swings, sandboxes, and restrooms.

Flood Park has many drop-in picnic areas for small groups. Several group picnic areas and the Oak Picnic Shelter are available by reservation for groups of 25 or more.

**Flood County Park**

A 21-acre urban escape located within the city limits of Menlo Park, Flood County Park offers accessible picnic areas, paths, and restrooms, group picnic areas, and a large play structure.

The shady picnic areas beneath the Park’s gorgeous trees are popular gathering spots for families and large groups.

Unlike other County Parks, Flood has tennis courts, baseball and softball fields, and volleyball courts. Most of the Park’s adobe buildings were built in the 1930s by the Work Progress Administration.
