SAN MATEO COUNTY PARKS
VIRTUAL SCHOOLS PROGRAM

FOOD WEB PROGRAM (1 HOUR)

Learn about the complexity of nature and how nutrients cycle through it by a basic introduction to the trophic levels found in the ecosystems around us. Curriculum features the following two activities:

- Food Web Demonstration
- Owl Pellet Dissection

The lesson also includes key food web vocabulary and what elements plants need to grow.

OHNLONE PROGRAM (1 HOUR)

Discover the similarities and differences in the ways we live now and the way of life of the original inhabitants of the SF Bay Area - the Ohlone. Curriculum features the following three activities:

- Braiding
- Stave Game
- Food Grinding

The lesson also introduces the concept of Land Acknowledgements.
